

Part 5

Skirt:

In detailcolor

Begin at the back of the body with a new thread in detailcolor. See the next page for reference.

1: 2 ch, 1 hdc in the same st, 2 hdc in each loop/st of the rest of the round, end with 1 sl st in the 2nd ch from the beginning = 96

2: 2 ch, 2 hdc, (1 hdc, 2 hdc) x 47, end with 1 sl st in the 2nd ch from the beginning =144

Finish off and fasten all threads. If you want the skirt longer you can always add more rounds.

Assembly:

You can now assemble the head and body together. Stuff both the head and body firmly, and sew them together stitch by stitch. Stuff more before you sew it completely shut if necessary.

Legs – make 2:

In basecolor

1: 6 sc in magic ring = 6

2: inc x 6 = 12

3-5: 1 sc in every st = 12

Stuff lightly and crochet the opening closed with 6 sc's. Finish off and leave a long tail for assembly.

←Begin at the back of the body in the basecolored loops.

Sew the head and body together by sewing through 1 stitch from the head and 1 stitch from the body, of the last round, together. Sew almost all the way around and stuff a little more if necessary. You do not want the neck to have too little stuffing, as the head will dangle if you do.
