

Part 7

Assembly:

Sew the arms on to the body at round 23, in the front (this is 2 rounds below the seam of the head), with 2 sts apart. They are supposed to lay flat against the body.

Sew the leg son to the body at round 6, with 3-4 sts apart. Sew them on so that they follow the curve of the round, so they are a little to the side.

Sew the snout on between rounds 11 and 17. Sew almost all the way around, but stop for a bit to fill it with stuffing, before you sew it completely shut.

Sew the snout on like this.

Sew the arms on like this.

Sew the legs on like this.
